St. Paul's, Minden Officially Open New Rectory and Parish Hall

BISHOP WELLS IS GUEST OF HONOUR

Bishop Wells was guest of honor at the official opening of St. Paul's New Parish Hall and Rectory on Monday evening which was held in conjunction with the Jubilee celebration of the W.A. Among the hundred and fifty present were Clergymen from neighboring Parishes as well as former incumbents of the Church. At the banquet Rev. E. A. Irwin present rector welcomed the guests and congratulated St. Paul's W.A. on the Jubilee celebration, also Church Wardens Walter Noyce and Don James. Mac Irwin as Chairman of Property Committee and its members Jack Jackson, Mrs. Lorne Dawson, Mrs. J. M. Irwin and Mrs. L. McCarey, who were instrumental in the erection of the Parish Hall and rectory.

Mrs. Garnet Lytle presented Mrs. Harry Easton with a beautiful corsage of pink and white 'mums' and congratulated her on the 50th birthday of the W.A. The lighting of the fifty white candles on the huge birthday cake by Mrs. Easton was greeted with hearty applause and the singing of Happy Birthday. Following the banquet the guests adjourned to the Parish Hall where Bishop Wells officially opened the new hall. The members of the W.A. were congratulated sincerely on accomplishments of fifty years of service. In closing the Bishop gave the members his blessing to carry on the splendid work that had been accomplished at St. Paul's.

Mrs. Lorne Coburn delighted every one with her rendition of 'Bless this House'. She was accompanied on the piano by Ted Irwin.

Special tribute was paid by Mr. Irwin to the chairmen of the building committee, Mac Irwin, the Contractor, Gordon Smeaton, Laurence Pritchard and son Douglas, who had done the electrical work in the new buildings as well as the building committee as a whole. Special tribute was paid to the former warden Mr. John Hewitt, as well as the Rector's Warden, Walter Noyce and the People's Warden, Don James.

Telegrams of congratulation were read from many who were unable to attend this fine opening by Mr. Irwin. Archdeacon Robertson, who was present, paid glowing tribute to the members of the Church for the work that had done in fifty years of progress. The guests enjoyed the short talks by former Rectors who were present on this great occasion, such as the Rev. T. Summerhays, who arrived at St. Paul's in 1903. Also the Rev. T. Nind who was rector in 1909, who congratulated the members on the wonderful accomplishments since he took services in the Church. Congratulations were given to the W.A. by the Rev. Hugh Collier who enjoyed his stay in Minden in 1924. The Rev. R. R. Bonnie who returns to Minden every summer since 1931, expressed his pleasure at attending the opening. Congratulations were also forthcoming from the Rev. R. L. McLaren who was at St. Paul's in 1943, also the Rev. S. A. Richards in charge in 1944. In 1947 the Rev. V. R. Browne, rector at Maple Lake who took over the duties at St. Paul's as well, congratulated the congregation on the fine new Rectory and Parish Hall. Mr. Urquhart rector at Wilberforce, expressed his pleasure at being present and Rev. John Kerr of Haliburton's St. George's Church congratulated the W.A. on its 50th birthday as well as members of the Church on the completion of the Parish Hall and Rectory. The Rev. Herman Pelletier, minister at Kinmount in 1938, recalled other days in the Minden Church, to the great amusement

of the guests.

The entire evening was a great success and everyone went home with a feeling that the last fifty years in St. Paul's Church had been fifty years of real progress.

M.O.H. REPORTS ON WATER POLLUTION

The M. O. H. of the Municipality of Dysart in carrying out his investigation as to the causes of pollution of the Drag River and Head Lake adjacent to the village of Haliburton, reports that a sample of water taken from a storm sewer in the village, which waters eventually find their way into the drag River is graded a "D" by the Provincial Department of Health.

Further the Provincial report states that the smallest amount of water from which colon bacillus could be found as only 1/10 of a cubic centimeter or approximately 1 1/2 drops of water. Such pollution is considered by the Public Health Officials as heavy.

In order to clarify the testing of water for pollution the following extract from the Department of Health report is shown:

"Colon Baccilus are bacteria which normally inhabit the intestinal tract of both man and animal and are passed out in large numbers with the excreta. They, of themselves, do not prove that water contains disease producing bacteria but serve rather as a warning that dangerous germs or bacteria, also of intestinal origin, such as typhoid, dysentery etc., may be present. As colon baccilli always greatly outnumber disease germs in a water, it is usually impracticable to recover the latter by laboratory methods. Wherever disease germs of this nature are present, colon baccilli always accompany them and usually in large numbers, but colon baccilli in a sample of water is consequently a more practical procedure than isolating the disease germs themselves. The essential point is, that the presence of these colon organisms in small quantities of the sample indicates that the water is potentially dangerous to health."

BOY LOST IN WOODS SEARCHING FOR LEAVES

Last Friday afternoon two boys, Mervin McNeeley and Bill Graves of Wilberforce, left the school in search of colourful leaves to be used as Nature study. Of course there were lots of leaves near the school, but those further away looked nicer so the boys wandered on and as they travelled somehow got separated.

About 4 p.m. Mervin McNeeley came back to school and expected to find his chum there, but he had not returned, so the search for Bill Graves began.

Mr. Urquhart, our minister, and the teacher, Mr. Stevens started out with Bill's father. By then several other citizens had joined in the hunt.

The boy wasn't found till nearly eleven o'clock that night. He had come out to Cedar Lake, about 6 miles from the Village and found a canoe and paddled down the Lake to where he heard the men shouting. Typical of all boys his first words were "Did anyone bring anything to eat?"

Quite an experience for a 14 yr. old boy.

The party led by Mr. Delbert Miller were the ones to reach him.

Mr and Mrs Gilbert Windsor of Haliburton visited in Toronto this week.

Mr and Mrs R. R. Tyler of Haliburton were business visitors in Lindsay on Monday.

MINDEN MAY GET NEW POST OFFICE

Word has been just received that Minden may have a new Post Office.

A representative of the Liberal Government has been in the Town inspecting the situation and something definite may be done in the near future.

The Government has been contemplating building a new Post Office at Minden for some years and it would be an improvement that will meet with the approval and convenience of the entire community.

ART GILLIAM PASSED AWAY IN TORONTO

Haliburton Community was shocked to learn of the passing of Mr. Art Gilliam in Toronto on Sunday p.m. The late Mr. Gilliam had been in ill health for some time. The Gilliams arrived in Haliburton in 1938 and operated the General Store formerly owned by Mr. Freeman. The late Mr. Gilliam was a faithful and devoted member of the Haliburton United Church Board. For three or four years he served zealously as the Chairman of the Community Park and Hall Board. The Haliburton Curling Club owes much of its present success to his untiring enthusiasm in this field. The North Entrance Lodge of the A.F. & A.M. lost a true friend in his passing as did the Haliburton Rotary Club and the L.O.L.

Left to mourn his passing is his beloved wife Lillian and two sisters, Annie and Mrs. Jeans and a host of citizens in this community will grieve the passing of this kindly man.

COD LIVER OIL PROGRAM IN EFFECT AT MINDEN

The regular meeting of the Minden Branch of the Red Cross Society was held at the home of Frank Welch, president, on Friday night.

After the reading and adoption of the minutes, general business was discussed.

It was reported by the president that \$280.00 was spent by the Committee in the purchasing of some 50000 Cod Liver Oil capsules, under the supervision of Dr. Agnes Jamieson these capsules will be distributed to every school in the Public School area. The Committee hopes to see that every school child in the area receives one capsule daily. The capsules are well fortified with Vitamins A and D. This Cod Liver Oil program which will be carried out in the Schools for a three month period will do much to improve the health of all the students in the schools.

The Branch decided to supply milk to a local family whose wage earner had been incapacitated by a recent unfortunate accident.

It was announced at the meeting that a comprehensive report from the chairmen of the various committees (Water Safety, First Aid, etc.) will be given at the next regular meeting. The extensive work which this charitable organization has accomplished in the past year will be printed in the County News.

At the conclusion of the meeting delicious refreshments were served by the host of the evening, Franch Welch.

Mr Lou Consy and Carl Hussey were visitors in Lindsay on Monday.

Mrs Marietta Trumbell of Haliburton visited friends in Lindsay on Monday.

Mr and Mrs Jack Wallace of Wilberforce spent the week end in Oakville.

St. Paul's W.A. Celebrate Fifty Years of Faithful Service

The following account of the W.A. of St. Paul's Church in Minden was given by Mrs. Lorne Dawson at the Anniversary Service in the new Parish Hall on Monday evening.

In the fall of 1899, Rev. J. E. Fenning, incumbent of Minden Parish, saw the advisability of forming a senior branch of the W. A. Accordingly he called a meeting at the clergyhouse on the afternoon of October 25th, 1899. Seven ladies responded — Mrs. Hartle, Mrs. Scott, Mrs. Delamere, Mrs. Curry, Mrs. Welch, Mrs. Peck and Mrs. Noyce. It is on record that this meeting was very successful and enthusiastic. Mr. Fenning acted as Chairman and Secretary and it is to his Minutes recorded that we are indebted for the details of this meeting.

Mrs. Delamere was elected first President, Mrs. Hartle, Vice Pres. and Mrs. Scott, Sec. Treas. Of the seven original members to attend only Mrs. Scott of Millbrook still is living, but due to ill health unable to be present at the ceremony. Fifteen new members were added at the next meeting and according to the Minutes Mrs. Gainer and Mrs. Noyce were made Dorcas Secretaries altho at that time they were called "Cutters out." The membership fee was 10c and was sent directly to the Provincial Treasurer. We believe said Mrs. Dawson, the fifteen members were a Junior branch which joined with the Seniors. There are three still with us, Mrs. W. M. Welch, Miss Ida Noyce and Miss Isabel Curry. At the next meeting it was decided that the work would be two fold, part for the upkeep of the Clergy house and part for Missionary bales. Mr. Fenning read a letter from Mrs. Williamson telling of the formation of our branch in the far North. She sent along cards with members prayers printed thereon. There have been four changes made to our membership prayer since we first used it. The last revision was made by Dr. Cartwright. Money was earned by donations, bazaars and concerts in the early days. The first big project was compiling a cook book to which members gave their favorite recipes. It was printed here in Minden and copies were sold to raise funds. The first meetings were held in Delameres Hall and a Miss Belt of Toronto appointed the first resorder of Diocesan branch meetings of Minden Branch.

Rev. Broughall, now Bishop, attended and closed this meeting. A letter of encouragement was read from Miss Williamson, who founded the monthly pamphlet 'The Living Message'. The first bale was sent out in 1900 to Rev. T. Marsh at Bay River. In 1901 the members donated the stained glass window above the new entrance to the Church and helped out the Irondale Mission then in charge of Mr. Roundthwaite. In 1902 a donation was made to the Young People's Society to assist in the purchase of a Baptismal Font. This Font is now placed in the Baptistry which was formerly the old entrance to the Church. Mrs. Dawson digressed to explain that the altar and cross in the Baptistry are from the chapel in the old clergyhouse. The alterations were financed and carried out by the members of the Altar Guild. In 1903 by subscription and sales of work the whole amount of debt owing on the clergyhouse was met and it was also in this year that the E.C.D. fund was started. We are still using this cent a day fund. In March 1906 the Junior Branch was reorganized with Miss Isabel Curry as President and Miss Helen Peck, now Mrs. Will Welch, Secretary. Our incumbent at this time was Mr. Arch Bold. In March the

W.A. decided to renovate the outside of the Church and in 1910 all funds were used to purchase new pews. Also a donation was sent to the Martha Tillson Fund, founders of the W.A. During 1910-1922 the membership fee was raised to 25c. In 1913 Mrs. Curry, who had been Secretary for 14 years, resigned and Mrs. Hartle was elected. In 1914 Mrs. Delamere resigned as President and Mrs. Hartle was elected to that position and in 1922 Miss Helen Cox, now Mrs. Clarence Trumbell, was elected Secretary and Mrs. Sam Welch Treasurer. There were 14 members enrolled in 1926 and the first pledges were mentioned — the amount \$5.00. This amount has steadily increased until now we pledge \$50.00 yearly. In 1927 the W.A. pledged \$50. for a new furnace for the Church. It has served until this year when the heating system was installed to heat the Parish Hall and Rectory. It was in this year that Mrs. Hartle resigned as president and Mrs. Will Welch was elected. Mrs. Jackson, now Mrs. Earl Hewitt, was elected Sec. Treas and she carries on as Treasurer today. In 1931 the Branch decided to meet every two weeks rather than weekly, with one meeting a business and devotional and the other a sewing meeting. A real step forward was the adoption of individual pledge envelopes for the year. These two innovations we still use. In 1933 Missionary Study was taken up. In the same year the membership fee was increased to 50c per year. Mrs. Wm. Welch resigned in that year as president and Mrs. Harry Welch elected. It was during these latter years that the W.A. began holding Corporate Communion at the beginning of each year's work and joining with the United Church W.A. for the annual World's Day of Prayer. The Little Helpers organization was formed with an Annual party for them. Contributions from the Mite Boxes have been excellent. Early in 1934 the Branch was saddened by the death of Mrs. Hartle who since the day of its inception had given 35 years of faithful support to the W.A. through such devotion the Branch has been able to grow better and stronger. In her memory, the collection plates were bought and placed in the Church.

During the depression years the W.A. carried on meetings and pledges and sent bales of new and used clothing, raising funds by an Annual Garden Party and Bazaars. The red felt kneeling pads were made for the chancel steps and money was voted to repair the church and wire the clergy house. In 1937 due to illness, Mrs. Easton resigned as president and Mrs. Will Welch was elected. The Parish Hall was built and the Branch bought equipment for the opening function. A grant was made to the building fund. In 1938 we read of more repairs to the clergy house and in 1939 war again cut out garden parties, etc. However we managed to find something for our bales as well as making comforts for our soldiers. We supplied the materials for the 60th anniversary party. We held a Tea to set up funds for cutting the lawn in the church yard; voted monies for the roofing of the clergy house as well as the usual grant for redecorating. On March 13th, 1934 we started the custom of calling on our Hon. president Mrs. John Graham and oldest member on her birthday. In 1942 Mrs. Will Welch resigned as president and moved to Gravenhurst, and Mrs. Easton was re-elected. In the 50 years of our history we have had only five presidents. In 1942 a bale was sent to the Russian Relief Fund and also one to the relief of European children.

Many programs of expansion and alteration have taken place throughout Haliburton County in recent months as the merchants, ever alert to improving their shopping facilities, are keeping in step with the general trend of improvements . . . District residents are becoming more and more conscious of the advantage of shopping in their community, too. Not only is it convenient, but the quality of the merchandise available right here at home is the equal of that obtainable elsewhere. Anything and everything can be bought in this trading area where practically every phase of business life is represented . . . Community merchants take great pride in their community and endeavour to bring about all the improvements necessary to give their customers the best in shopping satisfaction, both as to merchandise and shopping service . . . "Shop locally" may be the slogan of the merchants, but it is much more than that. It is an invitation and a bit of wise counsel for the residents to patronize their merchants and at the same time to take advantage of the excellent services being offered close to home.

NEWS OF THE CHURCHES

LITTLE HELPERS HOLD ANNUAL PARTY AT ST. GEORGE'S CHURCH

On Saturday, October 15th, the Little Helpers of St. George's Church met for their annual party. A brief Service of Worship was held in the Church, during which the Mite Boxes were presented by the children. Each child was given a prayer card as he brought forward his offering.

In a brief report the Parochial Secretary, Mrs. R. P. Kerr, made known a few facts concerning the year's work. There are 48 Little Helpers on the roll, 9 of which have been promoted to the Church Boys' League or the Junior W.A. Rev. R. J. Kerr the leader of the OBL extended an invitation to the following boys to become members of that group — Douglas Whittaker, Terry Brannigan, Peter Dean, Billy Johnston, Bruce Sawyer. Miss Joyce Williams, Supt. of the Girls group was also present. She welcomed these girls to the Junior W.A. — Karen Johnson, Marlene Burke, Eleanor Whittfield, Patsy Dart.

With the use of flannelgraph pictures, Mrs. Kerr told the children a story of Little Gaylord Mitchell, and how years ago he began the Little Helpers Organization.

Games were played outside under the supervision of Miss Beulah Walker, while Mr. Kerr spoke to the parents. There was a display of Books suitable for the Little Helpers' age group, reading material that would be of real value and interest in any child's library.

Refreshments were served in the basement. Tables were decorated with cats and witches; at each place was a candle sitting in a marshmallow candle stick holder; on the window sills were gourds and carved Halloween faces. It wasn't just the candles alone that glowed — the youngsters themselves sparkled at the sight of the tables laden with sandwiches, fancy Halloween cookies, chocolate milk, apples, etc. Before the party was concluded it was announced that the Mite Box offering amounted to \$15.77. As many boxes are yet to come in, we have reason to believe that this year's offering will reach an all time high.

A huge blue gum tree in California seven feet in diameter and 110 feet tall, is a one tree wood lot; in 1936, surplus limbs yielded seven cords of wood, and the tree is now ready for another harvest of about the same volume.

WILBERFORCE

Everyone was very excited when 14 year old Bill Graves got lost Friday and were relieved to hear that he was found again.

Mrs. Len Holmes and son Jimmie are home again after visiting her parents at Little Current, Manitoulin Islands.

Miss Dorothy Stoughton is back at work again for the Red Cross Outpost.

Mrs. Walter Clarke and daughters Hilda and Elaine attended church in Tory Hill on Sunday.

Rev. Urquhart and Jack Managan are making good use of these fine days to work on their new homes.

Mr and Mrs Archie Scott visited relatives in Harcourt on Sunday.

We are glad to see Mr. Bill Bowers around again after being ill so long.

Mrs. Ted Sheehy is home again with her new daughter, Susan Anne.

Friends of Mrs. Bertha White will be glad to hear she feels fine after having her operation in Western Hospital, Toronto.

Mrs. Agnew is home again from her air trip to the West.

The St. Margaret's Church W.A. was held in the home of Mrs. Leonard McNeeley with a good attendance.

Mr and Mrs W. Hughup of Highland Grove visited Harry Hughup on Sunday.

Mr and Mrs Ed Johnson have returned from their trip to Vancouver.

The United Church W. A. was held in the home of Mrs. Walter Clarke with a fair attendance.

The Wilberforce Home and School executive meeting was held in the home of Mrs. Albert Saunders on Monday, Oct. 17th.

The meeting opened with ten executive members present.

The Treasurer, Mrs. Foyd Tighe gave her report. Membership cards were distributed also books concerning Home & School work, to be read and passed on to the other members.

It was decided the next meeting be held Nov. 14th.

The meeting adjourned.

A delicious lunch was served by our hostess, Mrs. Albert Saunders.

Oysters are taken commercially from water of every American seaboard state except Maine and New Hampshire.

ST. PAUL'S, MINDEN W.A. 50 YEARS OF SERVICE

In 1943 the Branch was bereaved of the love and service of Mrs. Clara Welch. Similarly in 1944 we lost two more members, Mrs. Augusta Johnston, Mrs. Ina Hewitt and in memory of these members devotion to the Branch and Church, new Communion vessels and linens were purchased and placed in the Church.

The old chalice was resilvered and given to Kilmount Mission. Bales and monies were voted for different relief service and canned goods sent to Britain. During the illness of Mrs. Easton, Mrs. Lorne Dawson took over. This year a donation was made to the Choir fund

and a bathroom installed in the clergyhouse. In March 1947 Open House was held at the clergyhouse to welcome Archbishop Owen and the newly confirmed members. In 1948 the girls guild was formed in the Parish under the direction of the W.A. This Guild has grown and raised funds toward furnishing the kitchen in our Parish Hall and to meet other Parish needs. In 1948 the Altar Guild supplied materials for a purple fontal in memory of Mrs. Mather. In 1949 a donation was made toward the purchase of an electric organ and a gift of green altar hangings was made as our Jubilee Memorial. The hangings were made by the Altar Guild and were ready for the Deanery meeting in June and it is now October the 24th.

We are thrilled and proud at this completion and also to have our Jubilee celebration in conjunction with the official opening of the Rectory, and fifty years of progress which I am convinced has only come through each individual member's realization of her privileges and responsibilities and who knows that she dare not offer to the One she serves, anything but her best.

Again we meet, the love of Christ constraining,
Sisters in Service, privilege divine
Even in weakness our souls
strength maintaining,
Lord let Thy light upon our darkness shine.
Again we meet Lord, let Thy love still hold us.
Oh teach us how to work and how to pray.
Little we have to give but let us give it.
From loyal hearts an offering full and free,
What is our life, a dream, then let us live it,
As unto Thee dear Lord as unto Thee.

NEWS OF THE CHURCHES

Rev. Tom Rutherford took his text as the 14th verse of the Epistle of St. Paul to the Ephesians Chap. II "He hath broken down the middle wall of the partition between us."

In this text we are speaking about fences we raise between ourselves and others. Paul was speaking about the fences which were raised between peoples in that early Christian world. This Apostle realized that Christ had eliminated all fences. This it was pointed out by the Minister, was very important "as we raise fences between people and nations in our day." For instance, he continued, "the fence called the Iron Curtain. We have people on one side of the curtain or fence, and people on the other side. There is no interplay back and forth; no contact with those on this or that side of such a fence. "This fence must be removed or the peace of our world will be in jeopardy" declared Mr. Rutherford to his congregation.

Examples of fences or barriers were given. The sterling block was cited as a type of fence. With clarity the Minister explained how "fences do not serve the purpose" The fences built by the isolationist in the States did not prevent the bombing of Pearl Harbour nor did the fences built in London deter the bombs from raining down on that City", continued the Minister. The point that Christ came to break down ALL the fences or partitions between us was stressed.

The Scripture reading, the story of the Good Samaritan was used to illustrate the meaning of the text. The Good Samaritan was a fine example of a man who recognized "no fence or barrier." Another such example was the tale of Les Miserables by Victor Hugo, when Jean Val Jean was released from prison and needed aid he visited the Bishop who recognized him only as a brother.

The Minister carried this lesson along personal lines, using the Prodigal Son as an example "No man sins to himself but it effects the lives of others" he said.

In conclusion, Mr. Rutherford told how all of us build a wall... a partition between this world and

WILBERFORCE

Mr and Mrs Frank Louis of Detroit were visitors of Mr and Mrs Art Fleming over the week end.

Mr and Mrs Art Hughey of Peterboro came to see their son Garth who has been seriously ill at Percy Tighe's.

The wedding of Harold Anderson and the former Rosemary Norwood took place Saturday, Oct. 22nd in St. Margaret's Anglican Church with many relatives and friends attending the reception later that evening in the Orange Hall, which was prettily decorated.

The Red Cross Outpost is opening again with Miss Hisop from England on the job.

The St. Margaret's Church W.A. was held last Thursday evening at the home of Mrs. Keith Cameron with seven members present.

Mr and Mrs Everett Godfrey of Peterboro spent the week end with relatives here.

Mr and Mrs Henry Philips of Bancroft have moved in to the village.

Mr and Mrs Frank Mansn and son Lorry of Bracebridge spent the week end with their parents here.

The United Church W.A. was held last Thursday p.m. at the home of Mrs. Billie Earle with a good attendance.

the other; veritably build a fence with Life on one side and Death on the other. There should be no partition here, he declared, for the Christ said "He that believeth in Me shall have Everlasting Life." "In other words, take down the fences" admonished the Minister.

MINDEN

Mr Phil Graham, who has finished taking a special course for the HEPC in Toronto for the past several weeks, returned home on Friday evening.

Mr H. S. Tracey of Toronto is visiting at the home of Mr and Mrs Robert Kirkwood.

Messrs Nick Rouses and Jack Bingham of Toronto spent the week end at their farm up the Bobcaygeon Road.

Mr and Mrs Len Bates returned home on Wednesday after a month's visit at several points in Alberta.

SORRY!

Your reported wishes to correct an error which appeared in the issue of October 20th with regard to the automobile collision between Stan Robertts and Mrs. James Orr. Estimated Cost of repairs given your reporter appear to have been a little exaggerated as the cost of repair to the Robert's car were \$24.33 and to the Orr car \$18.99.

IN MEMORIAM

TRUMBULL, MALCOLM JAMES

In fond and loving memory of a dear husband and father Malcolm James Trumbull, who passed away October 23rd, 1948. I have lost my soul's companion, A life linked with my own And day by day I miss him more As I walk through life alone A faithful husband, one of the best. May God grant him Eternal rest. It's only a grave but it still needs care

For one we love lies sleeping there. Some may forget you now you are gone But we'll never forget you no matter how long. — Sadly missed by wife and son Jimmy.

DEPT. LANDS & FORESTS REPORTED 1760 FIRES

Report from the Dept. of Lands and Forests shows that members of the department fought 1760 fires up to October 1st of this year. This is 616 more than the average over the past five years, which increase is partially attributed to the very dry season.

The largest fires were in the Trent forestry district, which includes Victoria, Peterborough and Haliburton Counties, where 15,270 acres were swept by bush blazes.

Causes of fires are listed as follows — smokers, campers, railways lightning, settlers, miscellaneous, logging operations, road and Hydro construction, incendiaries, mining and prospectors, with more than 80 percent directly attributable to human agencies. Curious to note there is no note of resident cottagers being recognized as a source of fire menace.

THOSE SCOTS

Sandy went to the municipal course for a round of golf. He asked a caddy "Are ye good at findin' balls?"

"Yes indeed sir" replied the boy. "Well then find one and we'll be startin'" sad Sandy.

How To Invite Depression

A man lived by the side of the road and sold hot dogs. He was hard of hearing so he had no radio. He had trouble with his eyes so he read no newspapers. But he sold good hot dogs. He put up signs on the highway telling how good they were. He stood by the side of the road and cried "Buy a hot dog, Mister." And people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade. He got his son home from college to help him. But then something happened — His son said "Father, haven't you been listening to the radio? There's a depression on. The European situation is terrible. The Domestic situation is worse." Whereupon the father thought "Well my son's been to college, he reads the papers and he listens to the radio, and he ought to know" So the father cut down on his meat and bun orders. Took down the advertising signs And no longer bothered to stand out on the highway to sell hot dogs. And his hot dog sales fell almost overnight. "You're right son" the father said to the boy. "We certainly are in the middle of a great depression."

SPONGE DROP COOKIES

1 cup ready to eat bran
1-1/3 cups buttermilk
1/2 tsp. vanilla
1/2 cup shortening
1 1/2 cups sugar
2 eggs
2 cups sifted flour
1 tsp. salt
1/2 tsp. soda

Soak bran in buttermilk and vanilla. Blend shortening and sugar add eggs and beat well. Sift flour baking powder, salt and soda together. Add sifted dry ingredients alternately with soaked bran to shortening mixture. Drop by tablespoonsfuls onto greased baking sheets and bake in moderate oven 375 F. about 15 minutes.

Yield 30 cookies 3 1/2 inches in diameter.

To vary — substitute brown sugar for granulated sugar.

Add 1 cup chopped nutmeats with dry ingredients.

Add 1 cup raisins with dry ingredients.

Before baking sprinkle cookies with mixture of 1 tsp. cinnamon; 1/4 teaspoon each of ginger and cloves.

DEFINITIONS —

Boy: A piece of skin stretched over an appetite.

Golf: A game in which a small white ball is chased by a bunch of men too old to chase anything else.

Mal de Mer: French for "You can't take it with you."

Strong-willed: What I am.

Pig headed: What you are.

H. S. HIGHLIGHTS

This column reported and edited
by students of Haliburton High
School.

EDITORS

Murray Woodcock, Aila Rinnie
REPORTERS

Janet Woodcock, Myra Roberts

There is much excitement at the high inspiration day which is being planned for Friday. There will be a party at the School on that night and those of the new students who fail to do the things required of them will be initiated.

The election of the Students' Council has been completed and the members are the following —

President — Aila Rinnie

Vice President — Curry Bishop

Secretary Treas — Bonnie Lee

Class Representatives —

Gr. IX — Janet Woodcock, Billy Rinnie

Gr. X — Stewart Baker, J. Nan Bishop

Gr. XI — Gordon Smeaton, Kathleen Roberts

Gr. XII — Tom Hodgson, Jean Webb

Gr. XIII — Murray Woodcock, Marg. Hodgson.

Every Friday morning a general assembly of the students is held for about half an hour. The entire student body meets in one classroom and the assembly is directed by Aila Rinnie. The period may include a small programme by some of the students or a general discussion of school activities.

Unfortunately a rather serious shoulder while playing rugby. The Watt broke his left arm at the soulder while playing rugby. The doctor expects it to heal up alright and in time for Gary to play hockey this winter.

Jimmy Pearson has been ill for the past two weeks and has been removed to a Toronto hospital. We hope that he will have a speedy recovery and be back at School soon.

YOUNG ADULTS CLUB
The opening meeting of the Young Adults Club 1949-50 was held in the United Church basement on Friday evening, Oct. 21. The convenors for the evening were Mr and Mrs John Lister and Mr and Mrs. Ian Fleming. After the scripture reading and the singing of hymns, Rev. K. P. Jull led in prayer. The speaker for the evening Rev. Irwin of St. Paul's Anglican Church was then introduced by John Lister. Mr. Irwin gave an inspiring and sincere talk on the basis of organizing cooperative and friendly church groups. We should set aside personal interest and feelings to further the spiritual and material well being of the Church of God. A hearty vote of thanks was given by Mr. Jull.

The officers for the year were elected with Miss Sylvia Howard as President; Mr and Mrs John Lister as Vice President and Mr and Mrs Ian Fleming as Secretary Treasurer. After the Mizpah benediction the meeting adjourned for refreshments followed by a closing sing song.

LINDSAY - ONTARIO

Thursday, Oct. 13th was a gala day for the members of the Bancroft Branch of the Red Cross, when their new twenty bed Hospital was officially opened by dignitaries from the Ontario Division of the Red Cross.

The Hospital situated on the eastern boundaries of Haliburton County serves a great need to the large area in the neighborhood of Bancroft, and the splendid new building and equipment is a fitting monument to the hard work, perseverance and effort of the members of the Bancroft Branch.

It is to be hoped that some representation from the Haliburton Branch was present at the opening in order that an inspection could be made of a fine well equipped Hospital with a bed capacity of some twenty beds. It would no doubt have been an inspiration, particularly as there is considerable talk of increasing the size of the present Haliburton Outpost. Congratulations Bancroft!

ST. GEORGE'S CHURCH
Haliburton - Ontario

A special Anniversary Service was observed this morning at St. George's Church. It was the 23rd anniversary of the consecration of the present building, and is the last of a series of Special Services being conducted this year in connection with the 30th anniversary of the Parish.

23 years ago (October 24, 1923) a large congregation of 113 people and the following Clergy — Rev. C. G. Eakins, Incumbent (now of Niagara Falls); Rev. J. H. Stringer, R.D. and Incumbent of Maple Lake (now deceased); Rev. E. Ralph Adye, Incumbent of Kinmount (now of Collingwood) — were present for the Service of Consecration. The Rt. Rev. James Sweeney, Bishop of Toronto, Consecrator, read the sentence of Consecration in the Prayer Book 'Now therefore we, James Toronto, by

divine permission Bishop of Toronto, do by virtue of the authority ordinary and episcopal to us committed, consecrate the said building, and do set it apart from all profane and common uses, and do dedicate the same to Almighty God for the Ministration of His Holy Word and Sacraments and for public worship according to the rites and ceremonies of the Church of England in Canada, and no other . . . and we do pronounce decree, and declare that the said Church shall remain so consecrated, set apart, and dedicated forever, by this our definitive sentence and final decree, which we read and promulgate "by these

is interesting that there are still many links with that Service 23 years ago, and with its official opening which took place 3 years earlier (January 25, 1923). Several of the 25 persons who were confirmed Oct. 24, 1926, are still with us and active members of the congregation. The first child baptized in the new church (Jan. 28, 1923) was John Franklin Palen. And the first couple married in the new church was Mr. and Mrs. Mendal Smith, who were also present today for the anniversary.

Several interesting facts about the early history of the Parish are recorded in a Souvenir Anniversary booklet, which has been printed, and is available at the Church. The Rector, quoted from this booklet in recalling earlier days.

For the text Rev. R. J. Kerr took Psalm 84 which begins "Oh how amiable are Thy dwellings, Thou Lord of Hosts." This Psalm is animated by the spirit of enthusiastic devotion to the Service of God and love for the worship of the temple. It stresses the joy at the privilege of access to the temple which according to evidence within the Psalm itself — was still standing, evidently during the time of the Monarchy, and had annexed to it courts and chambers for the ministers of the temple. Pilgrimages were an established part of the national religious life; and temple services appear to have been well established.

The Psalm is divided into three equal parts, each ending with a musical interlude denoted in the Bible by the word 'Selah.'

The first part 1-4, is the Psalmist's eager longing for the house of God and his thought of the happiness of those who dwell there. For the Psalmist, God is the final object of desire; and the Temple building is but the means of realization of His presence. This same eager longing for the house of God is to be found today in the eager longing of our fathers for their Churches of which this is an example.

The second section 5-8 speaks of the blessedness of those who in the strength of God surmount all obstacles and appearing in His presence, offer their prayers. The pilgrim was faced with various obstacles, and so are we today. Most of our obstacles are trivial such as being tired, having company, rainy weather, and other in-keep us from worship; but Church interests. All these obstacles may going is good for us, if we desire to find God — the Living God. Church going can be a tonic for us, and some psychologists today are advising their patients to go to Church to obtain peace of mind and a faith to cling to.

The third part of the Psalm 9-13) concerns the preciousness

WILBERFORCE

The South Wilberforce W.A. met at the home of Mr & Mrs Wm Earle with ten members present.

Mrs. Delbert Miller, president, opened the meeting and all sang the hymn "Break Thou the Bread of Life" followed by a prayer.

Scripture reading by Mrs. Floyd Tighe, St. Mark 14 was given and Topic reading by Mrs. Water Clark was "Mary of Bethany."

Mrs. Miller read a short story and the minutes of the last meeting were read by Mrs. Wm. Young. The business of the meeting was planning for a play.

A dance and box social will be held in the Wilberforce Hall on November 19th.

The meeting closed by singing the hymn "Jesus Loves Me". A delicious lunch was served by the hostess Mrs. Wm. Earle.

The next meeting is to be held at the home of Mrs. Arthur Saunders on Thursday, Oct. 27th.

Mr and Mrs Steve Earle had guests from Highland Grove on Sunday.

of the privilege of access to God, who is the unfailing source of blessing for all who trust Him. opportunity to approach God in the Temple. We have our Churches set apart for the worship of God. We should love our Church because our Christian religion is a social affair. Our religion is meaningful only within the fellowship, where we perform certain acts of worship. The church is the place where these acts are performed. In it by the faithful performance of religious duties we honour our Lord Jesus Christ, by whom we have access to God through a new and living way — His Flesh and His Blood.

several items of business the program was turned over to the Committees. Mrs. Edward Kirkwood read a paper compiled by Mrs. Jas. Farfield and Mr. Berry gave a splendid paper on the topic of Thanksgiving. Refreshments were served by the hostess and her helpers.

Mr and Mrs W. A. Welch attended the funeral of the latter's sister Mrs. Frank Bellou, of Trenton on Tuesday last.

Mr. William Bake returned home on Sunday from Toronto, where she spent the past week.

WHAT MILK?

A tourist on his way through Kentucky had the chance to eat a meal with a hillbilly family. When he asked for cream for his coffee he was told that they hadn't had any milk since their dog died last summer. The motorist was startled.

"A good hound" the hillbilly added "he brought in the cows."

Shortage of Nurses Is Serious Outpost Problem

Shortage of nurses is still creating a serious problem for the Red Cross Outpost Hospitals. L.G. Mills chairman of that committee, stated at a recent meeting of the Executive Committee, Ontario Division Red Cross. This has resulted in some delay in the opening of new hospitals. The present building program will see completion with the erection of a new hospital at Rainy River, upon which construction is soon to start. Hospitals at Burks Falls and Port Loring are expected to open by December 1st.

Dr. S. A. MacGregor reported that the Red Cross sponsored dental health program, functioning in the Welland and District unit, has completed its third round of examinations. Some 8000 children have been examined and charted in the last year. The dental health picture in this district because of the program, continues to improve. Pupils in the 14 schools in Wainfleet Township number 490; they originally had an average of 5.1 restorable dental cavities which was reduced to 3.8 in 1948. Nearly 1000 children of pre-school age have been examined in Stamford Township. The Red Cross dental coach carried on a treatment at Wilberforce and Tory Hill in the last year.

Over 8000 swimmers qualified for Red Cross Swimming and Water Safety awards in the past four months. Ninety two branches conduct this program. The last school year saw over 369,000 children enrolled in more than 11,000 branches of Junior Red Cross in Ontario. Ontario Juniors contributed generously to the National service and fund for relief work overseas; including more than 31,000 quilts, afghans, layettes, canned goods and comforts.

Smoke, smoke, smoke that germ to death. That used to be the rule in cleaning sick rooms twenty five years ago when the fumes of the sulphur candle were used. But now it is done by a systematic laundering of all sick room material.

POLICE COURT NEWS

Provincial Police Officer Ed Milligan was called on Thursday last to Tory Hill, to investigate a case of breaking and entering. The report was made by Sandy McColl, of Tory Hill, caretaker for a hunting camp belonging to a Mr. Greenwood and American visitor. Mr. McColl on visiting the camp found it occupied by two Tory Hill residents in the company of two Tory Hill girls (names withheld as they are minors). The men, Howard Ackley and David McDuff were charged by Constable Milligan for breaking and entering and for supplying liquor to minors. They were removed to Lindsay and in a closed court held in the chambers of Magistrate A. E. Gee a hearing was held.

The men were remanded on bail for two weeks and the charges against the girls was dismissed, after a stern warning and reprimand by his worship.

MINDEN C.G.I.T. TO MEET REGULARLY

the newly organized CGIT met at Minden for their second get together. The games played were organized by Mrs. Austin and Mrs. Deacon led the Worship Service which started with a hymn.

The CGIT purpose was explained and followed by the singing of another hymn. The Purpose was also the topic and various readings were given by Club members.

Following the Worship, the President took over the meeting and Roll was called. Two names were added to the register. Minutes of the last meeting were read by the Secretary.

Twenty five dollars was transferred from the Old Explorers account to the new group and collection amounted to \$1.10.

A committee is to be appointed each week to prepare the worship service. Suggestions were made for handicraft work and the meeting closed with taps.

HERBERT HENRY CUTS KNEE WITH AXE

Herbert Henry, of Eagle Lake, while in the employ of Hodgson & Jones in their Crooked Lake operations, had the misfortune of cutting his knee with an axe. He was rushed to the Haliburton Red Cross Outpost by his fellow workmen, where Dr. D. Warren, of Haliburton found it necessary to close the wound with several stitches. He was allowed to return to his home.

True religion shows its influence in every part of our conduct; it is like the sap of a living tree, which penetrates the most distant boughs

In Canada the people own everything — including the government.

In Russia the government owns everything — including the people.
